1. Opening words

a. Welcome by the German Ju-Jitsu Federation (DJJV),

Dear Ju-Jitsu-Friends,

As the president of the German Ju-Jitsu federation, I am happy to welcome you to the European Championship Youth in Germany.

By organising this event in Germany, we want to give you, dear Athletes, the chance to start in a competition and restart in our fantastic sport also in the youth. Of course, the danger from Covid 19 is not over, meaning the DJJV will ensure the safety of the participants with a strict hygiene protocol.

Even though the preparation time is short, I am confident that we will have great competition here in Maintal Germany. It will not be the same as you are used to, but the DJJV wants to give everyone the chance to participate to show the world our fantastic sport.

I want to express my thanks to the local club, Budokan Maintal and Robert Perc, Rick Frowyn from the JJEU, regarding the tournament's preparation. I am looking forward to a great competition with excellent fights and displaying our ethical values, fair play, respect and friendship to Europe and the World.

We understand JJEUs' trust in us as an incentive to make the European Championship Youth U18/21 in Maintal an excellent experience for all of you.

Kind regards,

Roland Köhler, President, German Ju-Jitsu Federation

b. Welcome by JJEU board.

Dear athletes, coaches, referees, dear friends!

We are pleased to welcome you to the 2021 European Youth Championship for U18/U21, hosted by the German Ju-Jitsu Federation (DJJV).

After successful organisation of the 2021 EC for Adults the JJEU was facing a huge dilemma on on-going mission to provide the same service to our U18/U21 athletes. Some difficult decisions on the way did not discourage us to continue working on solutions. Finally, we were following rational and economical ways to fulfil our main target – organise EC for our Youth in 2021 as we have had for Adults. We revived again options discussed previously to organise smaller events on different locations under one title “2021 European Championship U18/U21”. Unfortunately there were constraints preventing to deliver more information in usual timely manner so please, accept our apologies for the inconvenience.

Priceless experiences gained and procedures tested with organisation of EC Adults under Covid-19 protocols encourage us, DJJV and local organisation to come together again for Fighting and Duo events.

We would like to address to you our kind request – please follow safety guidelines and protocols, compete in a safe manner, with respect to each other in the spirit of our legacy and tradition, which on many levels evolved in lasting friendships.

Welcome to the JJEU European Championship U18/U21 in Maintal, Germany.

Robert Perc, President JJEU, Vice President JJIF

You need to fill the Excel sheet with the rooms needed by your team.

The hotels are all approximately 5 min walk (250 m) from the Sports Hall. The hotel facilities include a conference centre, one restaurant, free wi-fi in all rooms, parking, and a lobby bar.

In case of a high number of participants, the organisers will provide additional hotels within walking distance to the venue.

All competitors must have and use judogi according to the JJEU and JJIF rules for official competitions (**white gi for all competition systems**).

Soft hand and foot protection in proper colour; mouthpiece and jockstrap are strongly recommended; chest protectors for female competitors are strongly recommended.

The JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event, online, at the following link, from Ju-Sports, the premium sponsor of the JJEU

https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers

The JJNOs are then responsible to give the back numbers to the athletes, so they can apply them to their gis prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

10. Advertising

Please observe the regulations of the JJIF as far as advertising on the judogi is concerned. Please note that during the championship, no numbers on the back of the judogi are allowed, except as specified at point 9 above. Numbers on the back, from previous tournaments, must be removed from the judogi.

11. Referees

For the upcoming European Championship in the JJEU and DJJV will be able to provide some compensation to the selected referees in terms of travel and accommodation.

The JJEU Board and JJEU Referee Committee is entrusted with the task to select the qualified referees for the event.

- If a competitor will not have the correct weight at weighing – or the birth dates are not correct -, he/she will stay in a pool/table but will automatically lose the match. No change will be made to the draw, and no refund will be granted because of not fulfilling conditions for participation when already registered. **There will be no second draw.**
- General mistakes discovered at the draw can be corrected by JJEU officials (such as wrong name, persons with similar names put in wrong categories etc.).
- Seeding regulations of the JJIF will be observed. For the seeding the **world ranking list and registration** from **July 10th** will be used. The JJNOs are responsible to make sure all points are correct in the ranking list

13. Appeal
